

Entegra Preferred Manufacturer Partners

Product/Service Provided

3M Building & Commercial Services Division for Environmental Services is entegra's Preferred Manufacturer Partner for entrance or front of the house floor matting.

Featured Products Include

- The 3M™ Nomad™ Entrance Matting System is designed to stop dirt and moisture at the door, keeping floors throughout your facility clean. The system consists of several different types of mats, each doing a specific job.
- 3M Nomad™ Scraper Matting-Vinyl Loop removes dirt and moisture from shoes before people even enter a building.
- 3M™ Nomad™ Scraper Matting-Z-web collects more dirt as people pass through the foyer.
- 3M™ Nomad™ Carpet Matting captures dirt and moisture inside the doors. The result is cleaner-looking floors that are easier to maintain, safer for building occupants, and less likely to be damaged by tracked-in dirt.

Advantages of the 3M Matting Program for entegra Program Participants

3M specializes in helping you find the right mat, for the right environment, in the right size, for the right amount of foot traffic.

How to Access the 3M Matting Program

To set up an account with 3M Matting, contact their customer service line at 800-852-9722 x 55651. A 3M Matting representative will help you choose the right mat for your facility. As an entegra Program Participant, 3M will conduct a free survey at your facility to determine the matting program that is specific to your needs.

Once your account has been established, download the order form from the 3M Matting Preferred Partner Page on entegraPS.com to place an order.

Please note that you will need your entegra account number to set up an account. If you do not know what your entegra account number is please contact your entegra Account Support Manager.
