Uniform Rental Services

Uniforms present a polished, professional image that builds your brand. See how Cintas can help:

- Provide work apparel for public contact or behind the scenes work
- Provide an improved customer perception of your employees and business
- Keep your employees comfortable and productive, while looking their best.

Mat and Mop Rental Services

Cintas offers an array of Mop and Floor Mat Rentals to enhance your company's image and to provide a healthy safe work environment.

First Aid & Safety

Keeping your employees healthy and safe is one of the best things you can do for them—and your business. See how Cintas can help:

- Keep your staff safe, productive and on the job
- Ensure your first aid cabinets are properly stocked
- Provide your staff with the proper safety training.

Document Management

Ensure compliance with federal and state regulatory requirements (HIPAA, FACTA, etc.) for proper disposal of confidential and sensitive business, employee and customer information. Cintas is AAA NAID Certified, offering the most secure shredding service in the industry.

- Our service representatives and destruction operations undergo comprehensive background checks and security audits.
- Our information-life-cycle solutions help you reduce costs associated with managing and accessing important customer, employee, and business information
- We consult with you to deliver customized solutions
- Our secure storage and vaulting services provide peace of mind
- We recycle all the paper we shred
